

DEAR WINE FRIEND

We are excited to share our first newsletter of 2018 with you! This time, just a quick update on what has happened on the estate over the past few months. The 2018 harvest is almost done and is looking quite promising. We are also thrilled to share with you some details of the new 'after school' project we have started.

Keep an eye out for the information on the wines that we currently have for sale. We are unfortunately all sold out of the Kadette Pinotage Rosè 2017, but remember to make a note about the 2018 vintage which will be released in the first week of May.

GENERAL NEWS

HARVEST UPDATE

Harvesting at Kanonkop started on the 1st of February and will be finished by the end of March. After major cellar extensions and upgrades in 2016/17, we are proud to announce that for the first time in Kanonkop history, we took more than 2000 tons into the cellar.

WINES: CURRENTLY AVAILABLE

Black Label Pinotage 2016

This wine currently drinks beautifully, despite its youth, and has great ageing potential.

Pinotage 2016

The 2016 vintage has just been released, and it shows all the markings of a quintessential Kanonkop Pinotage. Intense nose with layers dark fruit, plum, mulberries, raspberries and spices. Wonderfully complex on the palate, followed by supple, well integrated tannins. Under good storage conditions, this wine can mature for at least 10 - 15 years.

Paul Sauer 2014

This vintage of the classic Kanonkop blend offers a great finesse and elegance when compared to previous vintages. It has a complex perfume of black fruit, cassis, tobacco and dark chocolate with cedar wood and cigar box undertones. Will mature for many years.

Cabernet Sauvignon 2013

Full bodied, with a deep ruby red colour. This wine from a cold and wet winter is classic in style, with a long dry finish. Exceptional ageing potential. A firm favourite with guests in our tasting room.

Kadette Cape Blend 2016

Our hugely popular, for every occasion wine. A crowd pleaser. Fruit forward with layers of spice and dry, classic tannins on the finish.

Kadette Pinotage 2016

Upfront ripe plum, Christmas cake spice on the nose, followed by full ripe fruit on the palate. Perfect balance between refreshing acidity and tannins. A exciting food wine. Will be a great pairing with pasta, pizza, curries, Asian food, Mexican food, and of course, indispensable at a braai!

VINTAGE WINES

Pinotage 2008

As per tradition, we released the 2008 vintage at 10 years old in the beginning of 2018. Although it has developed enjoyably, this is still a youthful wine with a long life ahead of it. Great to experience it, with venison, ostrich, beef or cheeses.

MAGNUMS

Because of the age ability of Magnums, they make a great gift. Especially popular for celebrations, such as birthdays or anniversaries.

Pinotage 2005 - Big, beautiful and classic.

Cabernet Sauvignon 2005 - Elegant, refined and powerful.

Paul Sauer 1993 - A snapshot of the past – a good example of a beautiful wine made into a more difficult vintage. Very Bordeaux-like.

UPCOMING RELEASES

Paul Sauer 2015 - will be released on 1 July 2018.

Cabernet Sauvignon 2014 - will be released on 1 October 2018

Kadette Pinotage Rosè 2018 - The 2017 Rosè is completely sold out. The 2018 will be released mid-May. It is looking very promising.
